Submitted by: Jane Retherford

As part of the 2018 "End of Season Celebration" and CWF 21<sup>st</sup> year party on Saturday, November 3<sup>rd</sup> (see RSVP information in this newsletter) we will have "FUN"raising activities for the hour before dinner is served. Tables at the back of the room will be covered with silent auction and "bucket raffle" items. The fundraising activities are open to all CWF members and guests. Silent auction items can be paid by credit card, cash or check. "Bucket Raffle" tickets are purchased with **CASH ONLY**. This is an example of a new print that will be used either as a silent auction item, or in the bucket raffle. If you have any items to donate, please contact Jane Retherford (704) 999-3699 or by e-mail: [fundraising@colowomenflyfishers.com](mailto:fundraising@colowomenflyfishers.com)

## **Where Did Your Logo Go?**

As part of the fun activities scheduled for the 2018 "End of Season Celebration" we will have a logowear photo contest. **Where did your logo go this season?** Do you have any photos of you in your logowear, or a photo of any CWF logo gear? Enter it into our contest for a chance to win something! Members attending the EOS party will vote for the winning photo. Here are some examples of photos collected over the summer:

### **October 20      To Be Determined!**

**Note:** Due to low water conditions, our trip to the Badger Basin area we will likely need to be changed to a new location or we can opt to cancel. We want to be good stewards! If you have a suggestion for a good alternative location, please contact [trips@colowomenfishers.org](mailto:trips@colowomenfishers.org) with ideas!

### **September Weekend Trip to the Arkansas River**

*Submitted by Robin Schmidt, Trip POC*

Thanks to all who attended our trip to the Arkansas! We had 11 along for a fun-filled weekend, which started on Thursday and continued until Monday for a few of us! Lots of fish, fun and laughs were had overall. We had luck on this stretch using soft hackle flashback pheasant tail, red midges, mayfly nymphs in general, small stones, small BWO's and other dries at various times.

Highlights included watching a large rising trout right across from our 4 Seasons site (R17) on the river. Joanne and Sandy provided both edification and entertainment as they tried for this guy for a couple days. These gals can cast like nobody's business! Yeida Chang sleighed'em all the way from Hecla Junction to RinCon camping sites on the Arkansas Headwater Recreation Area (as usual). Seven of us had a great time out to dinner at The Fritz in Saliday on Friday night. We fished at various locations on Saturday. Anita Bauch really go into them, fishing deep and patiently in the faster water. Then, we celebrated at her nephew's brewery in Poncha Spings, Elevation Beer Co! Later that evening, we reconvened at R17 for a delicious picnic and fun campfire. The weather was perfect all weekend and warm enough to sit out in our shorts, well into the evening. Only issue that I'm aware of was bird poop! Still, can't wait to go back!
